

Speak at a RENEW Theology on Tap event

The success of RENEW Theology on Tap is dependent on the quality of its speakers. Do you believe you have what it takes to be a great Theology on Tap speaker?

A ToT presentation must address the culture and the experience of young adults while inviting them into a conversation around Catholic faith, theology and tradition. Depending on the location, a ToT leadership team may request a talk from twenty minutes to one hour.

RENEW ToT Speakers ...

- Bring a great respect for the Catholic faith and tradition
- Offer insights into Catholic faith, Catholic identity, and healthy living
- Present in an engaging style
- Have a breadth of experience on the topic they wish to address

If this describes you, please fill out the form below. The information from this form and will be made available to Theology on Tap leadership teams locally and around the country.
